

Stock Antioch's First Civil Defense Shelter

The first stocks of food and supplies for Antioch's first Civil Defense shelter will be brought to the Antioch Community High School today (Thursday) by trucks from the Rock Island Arsenal.

John Dupre, Antioch's Civil Defense Director, reported that the shelter at the high school has been certified for 500 people. The supplies are provided by the U. S. Government upon certification.

To qualify as a certified shelter, the shelter must be of concrete, supply a protection of 100 to 1 from radiation and have adequate, approved ventilation.

The area at the high school which has been approved is the basement area under the newest addition which houses the heating system. The ceiling of this basement area is of 8-inch thick concrete, and the walls are of concrete.

Ventilation must be either filtered or a scoop-like arrangement, which allows dust and residue from the outside air to settle before it enters the shelter.

The shelters are not intended as bomb blast shelters, Dupre pointed out, but shelters from the radiation which would linger after such a blast. The radiation, he said, is not carried by the air itself, but in the dust and debris carried by the wind and mixed with the air.

The protection of 100 to 1 which is required for certification means that a person within the shelter would get 1/100th exposure to radiation of that which he would get if outside and unprotected.

Included in the supplies which will be delivered is

Science Fair On March 24

There will be about eighty projects on display when the 8th annual Antioch High School Science Fair takes place next Wednesday, March 24th.

The competition is open to Grade School students in the Antioch High School district, in addition to the High School students taking part. Entries are expected from the Antioch Grade School, Lake Villa Grade School, Channel Lake and Prince of Peace.

There are twelve categories in the Science Fair competition. The top project in each category will go to the District Science Fair at Lake Forest. The Lake Forest winners will go to the State Science Fair at Champaign, Urbana.

Judging of the projects will be from 6:30 p.m. to 7:30 p.m. next Wednesday, with Open House starting at 8:30 p.m. The public is invited to view the projects at this time.

Awards will be presented at about 8:30 p.m.

Central High Adopts Salary Schedule

The Board of Education of Salem Central High School adopted a salary schedule for teachers at the regular meeting on March 8.

The schedule starts at \$9,100 for a Bachelor's degree and reaches \$7,905 on the 12th contract. A Master's degree will start at \$5,610 for the first contract and reach \$8,415 on the 12th contract.

In other business, the board voted to continue the Special Education program. It was announced that Floyd Holloway, Rodell Schenning and Dr. S. W. Waldo will represent the high school at the Annual Kenosha County School Board convention called by County Superintendent Gustafson.

Blizzard Hits Antioch Area

Antioch, and the rest of Lake County, were hit by a surprise March blizzard Wednesday morning, that deposited about five inches of wet snow in three or four hours and made for the most hazardous driving of the winter.

The roadsides were dotted with cars that had slid in to ditches on the slippery highway. The heavy snow continued until about noon.

Ray Toft, of Ray's Shell Service, said that calls for towing started coming in at about 5 a.m., and that three

trucks were kept busy throughout the morning towing unlucky motorists stuck in snowbanks. At about 1 p.m., Ray reported a waiting list for tow truck service.

"I have no idea how many cars we've towed," Ray said. "The snow came so fast, the roads couldn't be cleared. Little Silver Lake is still snowed in (at 1:30 p.m.). The main road is closed, and we are waiting for the township plow to get through."

Route 41 was reported in bad condition throughout the morning.

The high winds drove blinding snow across the roads, obscuring vision and piling up drifts. Route 173 west of Channel Lake was reported badly drifted and impassable at about 8 a.m.

Warmer weather and possible rain was forecast for Wednesday night. Doc Solar (who, you may remember, predicted this storm "shortly after the middle of March") says the temperatures will be in the 60's by the end of the week.

Hospital Plans Reorganized

The Board of Countryside Hospital is making several changes in an effort to meet requirements of the Hospital Planning Council for approval, and to combat recent adverse publicity on management of the hospital campaign.

The Board of Directors of Countryside Hospital met Tuesday, March 9, at the Lake Villa Grade School. The office, being maintained as headquarters for the Hospital at a cost of \$100 a month, has been sublet to George Haake, Insurance agent. The secretary, who received \$100 a week, is being replaced by part-time volunteers, at no cost.

Haake, according to William Thompson, Board member, is allowing Countryside to continue the use of the office as headquarters.

The letter of resignation of Mrs. Beverly Jane Rundgren was read, but no action taken. The Board is leaving the matter open. Thompson said, hoping that Mrs. Rundgren will reconsider.

Mrs. Rundgren said in her letter that ill health forced her to resign from the board. She was, she said, "five weeks overdue for an appointment at the Mayo Clinic."

Mrs. Rundgren expressed regret at leaving the project, and her willingness to help out whenever necessary.

The Board is trying to set up a meeting with representatives of other hospitals in the county. Thompson said, as suggested by Hiram Sibley, representative of the Hospital Planning Council.

UNDERGOES SURGERY AT VICTORY MEMORIAL

Mrs. Elmer (Martha) Hunter underwent major surgery at Victory Memorial Hospital about two weeks ago. Her condition is reported as very good.

The main penalty of old age, especially in the deep dark of the night, is disturbing thoughts of what might have been.

Gets Nine Months For Car Theft

An Antioch man accused of stealing two cars from the Lyons-Ryan Ford Agency about two months ago was sentenced to nine months in the Illinois State Penitentiary by Judge Singer on Tuesday, March 16.

George Stowell, 334 Park Ave., Antioch, was apprehended by Antioch police and deputies from the Lake County Sheriff's office at Route 83 and Beach Grove Road when he got stuck with the second car he took, a '63 Ford Galaxie.

Stowell had first stolen a '62 Ford Station wagon, according to reports, and abandoned it when it got stuck at Route 59 and Route 173.

Fine Arts Win Nine Superiors

The Antioch High School Fine Arts department won nine Superior ratings and 17 Excellent awards at the 1965 Illinois High School Assoc. Solo and Ensemble contest held at Evergreen Park High School last weekend.

Thirty instrumental solos and ensembles and ten vocal solos and ensembles from Antioch competed in the event.

Superior ratings were awarded to S. Bushnell, vocal solo; B. Casella, flute solo; E. Leavell, clarinet solo; R. Rich, tympani solo; madrigal, vocal ensemble; horn quartet, instrumental ensemble; woodwind trio; woodwind quintet and clarinet choir.

Excellent ratings went to S. Pedersen, B. Frank, R. Frank and G. Cardwell, all vocal solos; L. Clark, tuba solo; P. Garrison, flute solo; R. Erickson, French horn solo; G. Bocox, Bassoon solo; K. Jennrich, trombone solo; S. Dotson, tenor sax solo; J. Strang, baritone solo; D. Meyer, clarinet solo; Mixed vocal ensemble, horn quartet, trombone trio, flute quartet and sax quartet.

Get Award As Good Sports

Antioch High School will receive a Sportsmanship Award in the form of a plaque which will be presented at the Northern Officials Association's Annual Banquet on March 27 at Hank's Supper Club in Waukegan.

The award will be accepted by Mr. Ward Lear, Athletic Director for the high school. Seven conference winners will be represented that night, each selected by the schools in its individual conference.

General student and adult fan conduct and participation during specific sports seasons form the criterion for the award.

Antioch will also represent the Northwest Conference in the finals of the Milton F. Sprunger Sportsmanship competition. This award takes the form of a trophy to be awarded in competition with the other six conference winners.

S&L Window Broken By Thrown Rock

More vandalism in the village is reported—a piece of concrete the size of an indoor baseball was thrown through a window of the Antioch Savings & Loan, probably at about 3:30 a.m. Wednesday morning.

The broken window was discovered by Patrolman Harold Mason at 4:50 a.m. on a routine patrol. The concrete had been thrown through the west window of the Savings & Loan. The window is next to a driveway.

Sergeant Jack Heick said that the growing incidence of vandalism in the village had led to a decision to make a concerted crackdown on such cases. "I don't want to be unnecessarily hard on young people," Heick said. "But this has got to be stopped."

A rash of windows broken by bullets was ended last week when the Antioch police picked up the two youths

"Pay Water Bill" Says Village Board

The village board hardly disposed of one knotty problem when Dr. George Jensen tossed another in their laps.

After an impassioned appeal by George Kennedy for justice in the matter of his controversial water bill, the village board voted unanimously, on a motion by Ray Toft, that Kennedy must pay the full bill, minus the penalty. The penalty, the board agreed, would be deducted because the board had delayed in acting on the matter.

The bill in question is for \$415.45 for the period from August 19 to Nov. 19, 1963. With penalty, it would have been \$453. The water was billed to the George F. Kennedy Co. in Industrial Acres.

Kennedy had called Ernest Glenn in Mesa, Arizona, he told the board, and asked him if his opinion on the bill had changed. Glenn, chairman of the sewer and water board, had recommended to the board that the bill be settled for \$50. He is at present on vacation in Arizona.

Kennedy read a telegram from Glenn declaring that he

still felt the bill should be settled for \$50.

The Mayor expressed his sympathy for Kennedy, but said it was unfortunate that the matter had roused the public so much that it would have to be settled. He polled the board members, who all voted that Kennedy must pay the bill. Nissen adding that his vote that the bill must be paid was reluctant. Toft then put the matter in the form of a motion, and all board members present reiterated their vote that the bill must be paid. Kennedy said he would pay the bill under protest.

The board then accepted \$400. for payment of a liquor license for the month of April for Thomas Cardinale at 894-896 Main St. The Cardinale's have purchased the liquor store from Morris Pickus.

Liquor licenses for the coming year being due on May 1, the Cardinales had to purchase a liquor license for the full year to operate in April.

Dr. George Jensen asked the board to take action on the property line between the village park and Willowdale Dairy. A survey authorized by the board, he said, shows that Willowdale is using 100 feet of village park property which was given to them by the Schroeder family. The correct property line runs through a building belonging to the dairy, according to the survey.

A survey by Jim McMillen in 1962, Jensen pointed out, established the property line within a foot of the one shown by this survey. Time is important in taking action on the matter, he pointed out, as a matter of adverse possession is involved.

Mayor Cunningham said he would turn the matter over to Attorney Edward Jacobs to check. Jensen protested that the map showing the result of the survey had been presented to the board some time ago and no action taken. Time, he urged, was important in the matter.

Lucky Easter Eggs On C.C. Menu

Antioch merchants will be giving out Easter eggs on April 8, 9 and 10 in the first of a series of retail sales promotions. Not the conventional eggs, however, these will be plastic Easter eggs, each containing inserts carrying either your fortune or a slip telling you that you've won a prize.

The project is a part of the Chamber of Commerce campaign to promote Antioch.

A change in by-laws was suggested at the last meeting of the Chamber of Commerce and will be voted on at the next meeting. It amends the by-law affecting meetings of the general membership, reducing the meetings from one a month to three or more a year.

The next meeting of the Chamber will be held Monday, April 5, at Harold's Restaurant on Main St.

Car Stolen from AGS Parking Lot

The car of Roger Andrews, Antioch High School teacher and basketball coach, was stolen from the Antioch Grade School parking lot Monday night between 8 and 10 p.m.

Mrs. Andrews was attending a PTA meeting at the school when the theft occurred.

The stolen car is a 1963 Ford Galaxie. Sergeant Jack Heick of the Antioch Police reported that there has been no trace of the car as yet.

"An all-points report of the theft was sent out," Heick said. "That covers all of Illinois, Kenosha and Milwaukee."

To Collect For Red Cross Drive

Maurice Loven, chairman of the Antioch Red Cross Fund drive, has announced that he will be at the Antioch State Bank on Saturday, March 20 and 27 to accept donations to the Red Cross.

"The same women are always asked to work on the various fund drives," Maurice said, "so I decided not to ask them this year. I hope I'll be able to get donations at the bank from those who are missed in the door-to-door campaign."

believed responsible for the incidents. They are at present out on bond.

Attorney Jacobs said it would be necessary to check records to find out who paid taxes on the property, etc. before taking any action. The best approach, he said, would be to apply to the Title and Trust Co. for a title to the property. The Mayor turned the matter over to him.

Dr. Jensen also requested that Till Construction Co. be notified that they must complete clean-up work on Route 173 and Route 21. Areas were torn up when sewers were installed, and roadsides and portions of Dr. Jensen's property not restored, as the contract called for. The Till Construction Co. bond expires in the near future.

Harold Berg requested that a sixteen-acre tract he recently purchased at Route 59 and Cemetery Road be annexed to the village. Study of the village map showed that a large portion was already in the village. He was instructed to have maps and descriptions prepared to present to the village board.

Ernest Westlund presented the board with a copy of a Mundelein ordinance, licensing businesses in the village. Money from the licenses would pay the cost of the proposed village parking lot, he said, rather than taking the money out of sales tax funds.

Todd Mapletorpe reported that he had checked on a request at the last board meeting that a house trailer sewer service be installed at Al's Cities Service on North Main St. A request for information from the Sanitary Water Board in Chicago, he said, had elicited the information that in their opinion the amount of waste added to the sewers by the service would not be sufficient to affect the sewage plant. They recommended that the owner of the service be required to keep accurate records of the amount of water used for purposes of determining cost and for future reference in estimating the load on the sewage system.

Mapletorpe also reported that with Edgar Simonsen he had checked the sewer line on Harden St. where there has been trouble with flooding basements and stoppage. The sewer, he said, was found to have large holes and to be full of roots so that solid matter often plugged them. He recommended that the sewer line being installed on Victoria be extended on Harden to Lake St. The six-inch sewer would be replaced by a new 8 inch tile. Total cost would be about \$3,711.

The board voted unanimously to add the Harden St. sewer, approximately 430 feet to the present contract on Victoria St.

Roger Williams, chairman of streets and lighting, reported that a street light had been installed on Winsor Terrace and Route 21. The chuck holes, however, had not been filled, he said.

The board approved a motion by Ray Toft that Jeddle & Cain be employed to audit the village books, at a cost of \$650, with the stipulation that they be returned by June 15.

Ray Toft, chairman of the police committee, reported that equipment is needed for the police office. A desk and swivel chair and a typewriter with a large carriage are needed, he reported. The Mayor instructed Toft to order what is needed and present the bills to the board.

The board approved a contract to have Monroe Calculating Machine in the village office serviced at a charge of \$22 a year.

Al Schroeder reported that one estimate had been received on the buildings on Main St. which are being considered for purchase of a village parking lot. Two more estimates will be acquired and the material presented, probably at the next board meeting, he said.

More Couples Eliminated In Bridge Match

Four of the five couples still competing in the Lions Club bridge tournament have played this week's match, eliminating half the contestants.

The match still unemployed as we go to press is the Eberman match with Jeddle and Hawkins.

The Olson-Petersen combination beat Conville-Manzardo in the second round of play; the Dr. Solar's were winners over the DeBoer's; Murrie-Brooks eliminated the Dr. Kopriwa's, and the John Dupre's won over the Sonen's.

One couple must be eliminated before the next round starts. Contestants will draw to determine which of two couples will play an extra match, eliminating the losers.

Play in the next round starts next Monday.

Legion Has Birthday

The Antioch American Legion Post No. 748, along with other posts across the country will celebrate the Legion's birthday this week.

Post No. 748 will observe the occasion with a dinner and card party at the Legion Hall on Ida Ave., starting at 6:30 p.m. Guest speaker for the occasion will be George Swenson, 10th District Commander. Mr. Swenson is a member of Post 748.

The Antioch Post has 100 per cent membership. Anyone eligible to join the Legion is invited to attend the dinner.

MRS. WALTER McCleod, president of the Lakeview Girl Scout Council, received the newly-signed charter from Grant E. Spong, Director of Industrial Relations at Quaker Industries.

Quaker Sponsors Girl Scout Troop

Quaker Industries, Inc., last week became the first industry in the Antioch area to sponsor a Girl Scout troop.

Grant E. Spong, Director of Industrial Relations at Quaker, signed the charter as sponsor last Thursday, and presented it to Mrs. Walter McCleod, Lake Villa, president of the Lakeview Girl Scout Council.

Quaker is sponsoring Troop 110, a Senior Girl Scout Troop of Sequoyah Neighborhood, which comprises Antioch and Lake Villa.

The move to draw industries into active sponsorship of Girl Scout troops is a pilot project of the National Girl Scout organization. Quaker Industries is the first in this

area to participate. Mrs. George Derderian, Neighborhood Chairman of the Sequoyah Neighborhood, said that Quaker, with its excellent reputation, was ideal as a choice of sponsor.

The sponsor's role, in addition to providing a necessary sponsor, is to cooperate with scout leaders in improving and promoting the Troop's program. Mr. Spong commented, "We do not intend to be sponsors in name only—we will work with the Girl Scout leaders, and hope to meet with them regularly."

Spong has been with Quaker Industries about a year. He was formerly Director of Industrial Relations at General Fireproofing Co., in Ohio.

Keep A Free Press

SB 388 and HB 513, which create a new Juvenile Court Act, also would prohibit law enforcement officers from disclosing contents of records of arrest, and would prevent any access to court records, except by order of the court.

This would effectively handcuff newspaper reporting of any crimes committed by juveniles.

Is this in the public interest? On the surface, it may appear that the sensational aspects of juvenile, and other crimes, are played up by newspapers merely because the sensational stories sell newspapers. This is more true of some newspapers than others, but this law makes juvenile crimes a closed book to all.

Newspapers stories of crimes, juvenile or otherwise, serve as a valuable warning to people living or travelling in the areas affected. A mother who reads that a child has been molested, accosted or raped in her neighborhood is going to exercise a special measure of precaution. A resident reading about a burglary near his home is going to take some extra precautions. A car owner who reads that a car was stolen on his street will be on the alert.

Citizens should be alerted to crime in their area. They have a right to expect their newspapers to carry the stories of such crimes.

There's been much discussion pro and con as to whether or not names of juvenile offenders should be published. Again, names and pictures serve a valuable purpose—they alert the public. If some newspapers are guilty of over-inflating some incidents, this is hardly a good reason to clamp a silencer on all juvenile crime records.

If, occasionally, a "nice" juvenile is harmed by adverse publicity, when he committed no real crime, he learns a hard fact of life and nature—that his name can be tarnished by keeping bad company and that good intentions aren't enough.

Secrecy in police matters is dangerous to the welfare of the public. It makes it easy for the corrupt police to hide their corruption, hard for the honest policeman to do a good job. We already have too much managed news. Keep the police records open, and trust the discretion of the majority of good policemen to talk or not talk, as they see fit.

Poison Prevention Week

The week of March 14 to 20 has been designated National Poison Prevention Week by proclamation of President Lyndon B. Johnson.

About 500,000 children are poisoned in the U.S. each year, the majority by products that are standard items in the home the year around. This would be a good week to start forming a habit of keeping everything harmful out of reach of little ones.

Today's housewife has an army of cleaners and polishers to help her in household tasks, most of them poisonous if swallowed. It's easy to forget that these handy, commonplace household aids are deadly poison to the little child.

Small children are intensely curious, and often swallow anything within their reach, without stopping to taste or smell. Constant supervision plus keeping all cleaning aids and other harmful products safely out of reach of small children can avoid possible death or a painful hospitalization for a small child.

ALONG THE WAY with Annie Mae

Sure in this Irish lass has glared in the greatest day in the year for the Sons and Daughters of the Emerald Isle. Begorrah! You must have known it all along, for where else would one acquire the line of "Blarney" this gal has unless she'd kissed that grand and glorious "Stone".

THE LATEST REPORT

Two of me favorite Irish laddies who continue to keep all eyes a-smiling every day at their posts, are Tim O'Connell and "Mac" Magrath... and even Uncle Yullius says there hasn't another Irish voice can belt "McNamara's Band" like Betty Waite... nuff of this Gaelic delight. New owners at the Candy Lane on Lake St. look like they're "cooking up" some changes! Ray Jensen and his C. of C. Ball Comm. has come up with an interesting and novel Easter Egg promotion for members only... this of town sure does run the quietest political campaigns I ever did see. Have any of you been watching that Coalition Party over in Lindenhurst put their idea across? Oh, well, it'll soon be water over the dam, or was that over the water, Bill?

NOTES TO YOU: Bill and Jane Meyer happened on to a Command Performance last week one day. While driving down Hunt Club Road they witnessed the filming of a Command Hair Dressing commercial... that's Wally Kozio's front office for Charming that just opened on North Main St. options on Lake St. properties have everyone speculating about further business moves!

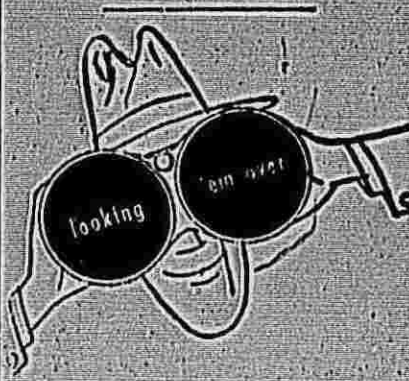

THE LAST DROP: Bill Wilton and Jack Wells are stesiating way down in Mexico City... and it's a "genuine" Italian Pizzeria, that will move into the old Country House on rite 21. Lill and Tony Lomma will be the new proprietors... all I can say about the Bridge Tournament this week, is that the

11,000 points the Sennens accumulated takes some good cards and fancy playing. Our redoubled congratulations, and good luck to you all on the next round!

DID YOU HEAR: A comment from the Dublin Irish Digest

"When God measures man, He puts the tape around the heart, not the head!"

From your Irish rogue, Annie Mae

When the Antioch High basketball team became District champs, it started some research that disclosed some obviously "little-known facts". It was at first believed that the 1965 team was the first to become District champs. However, in the nick of time, someone rescued from a trash can a plaque given to the 1937 team as District champs.

Publicity that stated that the 1937 team was the only other District winners from Antioch brought some protests that led to more investigation. Coach Roger Andrews finally called the Illinois High School Association and asked that they check their records to verify Antioch's basketball record. He got a letter back this week stating that the 1943 basketball team were also District champs, beating Barrington to win the crown. They were defeated in their first regional game against Waukegan.

No plaque or trophy has been found at the school to commemorate this champion team. Leading to the question, what happened to it? Was it, also, unlucky enough to end up in the trash can?

The boys worked hard to bring these glories to their school. We all know fame is fleeting, but the boys of '43 must feel pretty let down when they return to their home school and find no record of the laurels they brought to Antioch High.

Maybe a catalogue of school trophies and honors could be kept in the office. Then, if one gets misplaced, the school would at least know it was missing.

WEATHER REPORT

Cheer up, it can't last forever. Doc Solar has proved disgustingly right in his forecast of a snowy March and a wet spring. Mathon has now predicted a hot summer. Cold or hot, wet or dry, Spring arrives at 2:05 p.m. Saturday, March 20. You know where a young man's fancy turns when spring arrives, and we hope it works. Lately it seems as though too many young men have thought mostly of stealing cars, breaking windows, etc. It's spring, boys. Don't give the lie to the poets after all these years.

DIPLOMACY AT HOME

The Peace Corps idea seems to be working out fine. People of other lands, they say, are learning to understand us, and our people to understand them. Same with the Foreign Exchange program.

Now, wouldn't it be fine if

Courthouse Notebook

BY LOU BURNIN

Elimination of county boards on a representative basis and replacement with a commission form of county government seems to be the goal of a county board reapportionment plan now being considered in the Illinois General Assembly.

The U. S. Supreme Court's opinion that all legislative bodies must be apportioned on a "one man, one vote" basis is the battle cry for those who would eliminate the present Board of Supervisors, but these advocates seem to be overlooking the fact that the county board is not only a legislative body, but an administrative group as well.

One bill would divide Lake County into nine districts as nearly equal in population as possible with one representative from each district.

The next step would almost certainly be a change to a County Manager system with one man carrying out the directives of the commissioners.

If this should happen Lake County already has a probable candidate for the post in Finance Officer Robert Morrison.

Morrison was hired originally to invest idle county funds so extra interest could be gained, but this apparently does not occupy all of his time because he has been given or has assumed additional duties.

The IBM data processing equipment was leased by the county on his recommendation and he is also serving as financial adviser to the Finance Committee and other county board committees.

Morrison has also advocated establishment of a central personnel office which would provide employees for all county departments, a function which is not currently.

North to go to places like Selma, Alabama, and of course southern emissaries to try to understand the strange people of the North.

Certainly, at times, it seems that we don't even speak the same language. Wouldn't it be nice if we REALLY understood what other people are saying?

we had a domestic peace corps? Emissaries from the

lated to earn him much support from the elected officials.

Voluntarily or by board suggestion Morrison has interested himself in virtually every phase of county government and would be well equipped to take over as County Manager if that day ever comes.

Perhaps we are prejudiced because of our candidacy for a county board post, but it would seem that the present method of county board representation covers the demand for fair representation of all sections of the county. At least each township is represented and if Newport Township is overly represented because of its small population it has never produced any major problems anymore than Nevada's two U. S. Senators.

Under the present system every township has at least one vote and the more heavily populated townships are represented by additional assistants.

This seems to be equal representation as envisioned by the Founding Fathers in setting up laws for the composition of Congress.

It might be cheaper to have nine full-time commissioners instead of 37 part-time county board members, but this does not guarantee better conduct of county affairs.

If economy is the only argument for reducing the size of the county board we might well consider the elimination of all local and state governments and let the federal government take full control for garbage collection, local zoning, police and fire protection.

Think of the savings in salaries and the greater efficiency that could be achieved by having just one man directing all political activity.

LAKE VILLA CHURCH NEWS

Prince of Peace Church
The members of the C.Y.O. Club will receive Holy Communion next Sunday at the 8 o'clock Mass. After Mass there will be a breakfast and meeting in the rectory meeting room.

On Sunday, March 21, at 2 p.m., the C.Y.O.ers will play their annual basketball game at the Lake Villa gym against the "Old Men."

Weekday Mass Intentions for the year are filled. Anyone wanting an anniversary date for next year—1960—should make these reservations now.

The men who arranged the altar for the New Liturgy are: Michael Ciesielski, James Lentine, John Krewer, Louis Meglio, Anthony Nicoletti and Steve Pawlowski. Lester Hamlin took care of the sound equipment and installation.

The Sisters and Members of the Altar and Rosary Sodality swept and cleaned and polished in order to have the Sanctuary ready for March 7, St. Mark Lutheran Church.

The Couples Club of St. Mark Lutheran Church will have a bowling party at Bertrand Lanes in Waukegan Sunday afternoon at 3:30 p.m.

Membership orientation

classes are held every Sunday at 4 p.m. The Rev. Harold Nelson is the pastor.

Birthday Treat
Mrs. Frances Prohaska was treated to lunch at the Ivanhoe Restaurant in Chicago Monday when her daughter, Lu Stanley, Dee Elmit and her mother, Mrs. Mabel Buch of Des Plaines surprised her at work. The quartet had lunch at the Rustic Manor the week before to celebrate Mrs. Buch's birthday.

Hospital Patients
Six year old Yvonne Minne was in Victory Memorial Hospital for ten days when she had pneumonia. She came home last Wednesday, but will be convalescing for some time. The get well cards from her classmates and visit from her kindergarten teacher, Mrs. Marie Davis, helped to make her feel better.

Stanley "Gramps" Sutherland was operated on a week ago at St. Therese Hospital. His family expects him to be home this weekend.

Condolences
Sympathy is expressed to the family of Robert Spiller of Lake Villa who died last week of a heart attack while on his way home from work. He leaves his wife, Alice, and four children, Terry, Roy Paul and Gary. He was a member of the Veterans of Foreign Wars in Lake Villa.

Receives Recognition
Ed Bernau received a certificate of appreciation and recognition by the Stewart-Warner Corp. for the completion of 30 years of service. A tie bar and the tack with the company's emblem on them also was received.

New Neighbors
We welcome two new families to the community this week. James V. Taylor, Jr. and his wife Alberta are living at 2415 Magnolia. They have been married three years and have a daughter, Jacqueline Ann, 16 months old. Mrs. Taylor's mother, Mrs. Margaret Johnson, lives with them.

Karl and Kay Hankins are renting the Otis' home at 204 Hickory Drive. They moved here Dec. 1, from the Cen-

tral Baptist Children's Home in Lake Villa, where they were houseparents for ten boys between 12 and 15 years old, for a year and a half. They originally lived in Duluth, Minn. They have a little girl, Vicki, who was three years old last October.

Women's Club News
Mrs. Mary Joanne Bloss, president of the Lindenhurst Women's Club, presented Mrs. Pat Parpan with her president's pin at last week's meeting of the club.

The date of the Annual Rummage sale has been changed from May 15 to May 8. The date for the card party has been set for Wednesday, May 19.

Mrs. Pat Parpan, Mrs. Ethel Brondel and Mrs. Carol Bogla will represent the club at the March 31 meeting of the Lake Villa Rescue Squad. Guests were Mrs. Shirley Coles, Mrs. Kay Hankins and Mrs. Sharon Hayes, who later became a member.

Mrs. Helen Gilson was the only March birthday lady. Hostesses were Bert Harcog, Vicky Olszewski, Janette Pfeiffer and Evelyn Lazarsky.

The Cadette Girl Scouts of Troop 173 held a bake sale prior to the meeting. They made \$17 for their troop.

Diaper Set
Mr. and Mrs. George (Becky) Sorenson are the proud parents of a little boy born March 3 at Victory Memorial Hospital. George Harvey weighed 6 pounds 13 ounces at birth. Welcoming their brother are Greg, David and Susan.

Home on Leave
James Ervin Barnstable of Lake Villa is home on furlough from Fort Knox. He will be visiting friends and relatives until the 19th. He enlisted in the army and went to Fort Knox on Jan. 4. He will be going to Clerical school when he goes back next week.

"A" Student
Mrs. John Sutherland was notified Friday by the Mothers' Association of the University of Illinois that her son, Stanley, was one of 61 Freshmen out of 5,522 to

achieve a straight A academic average for the first semester. For this achievement, the Antioch High School will receive a \$10.00 book award. The high school will select a book they want and a special book plate will have Stan's name on it. Stan was a straight A student at Antioch all the while he was there, and also while he was in Lake Villa Grade School.

Baptized
Susan Gayle Gibbons was baptized at Prince of Peace church recently. Chuck Reinhard and Barbara Hendrickson were godparents.

The baby is the fourth child of the John Gibbons, Smorgasbord.

If you like good home cooking, how about attending the annual smorgasbord sponsored by the Millburn Order of the Eastern Star, Saturday, March 20. Serving will be from 5 to 8 p.m. at the lodge on Rte. 45 and Millburn Rd. Mrs. Ruth Hamann is chairman of the affair.

Home From Hospital
Vern Cook came home from the hospital Monday after being a patient at St. Therese Hospital for 10 days.

First Grandchild
Mr. and Mrs. Richard Wells, 713 S. Green Briar Lane are the proud parents of a little girl born to their daughter, Elizabeth on March 6 at 12:19 p.m. at Victory Memorial Hospital. Kirsten Elizabeth is the first grandchild for the Wells, and the first child for the Robert ert Hellands of Waukegan.

Mrs. Wells is the leader of Girl Scout Troop 173.

Dinner-Dance a Success
From all reports the St. Patrick dinner-dance sponsored by the Holy Name Society of Prince of Peace church, was a huge success.

Excise Tax
Gals, are you tired of paying that federal retail 10% excise tax on toilet articles, cosmetics, jewelry, furs, luggage and handbags? I am, so I wrote to President Johnson to "Please do your part to see that the 10% federal retail excise tax is abol-

Served On Safety Com. Since 1961

Harold I. Peterson has served with the Lake County Safety Commission since 1961.

"I believe the Commission is for the good of the whole county," is a statement often made by Harold Peterson. He has a deep interest in the field of safety particularly because he was the chairman of the Deerfield Safety Council for eight consecutive years.

Besides serving on the public Relations Committee of the Lake County Safety Commission, he was a member of the village board for eight years and on the West Deerfield Township board for four years. He also belongs to the Masons.

He is a member of the U. S. Power Squadron and instructs classes each fall and spring for the Power Squadron at Fort Sheridan, Glenbrook High School and Barrington. At times he works

with the Deerfield Police Department.

A suggestion to review and evaluate the programs of the Commission periodically has been made by him on several occasions. The primary purpose of the commission is safety in all phases. A better method of direct contact with all agencies and individuals connected with safety should be considered.

Mr. Peterson was appointed to the Commission on February 8, 1961. He is the manager of a fuel oil company in Deerfield where he lives with his wife and child.

Name New Camel At Chicago Zoo

Dr. Lester Fisher, director at the Chicago Park District Lincoln Park Zoo, announces the arrival of a baby camel at the zoo. The baby was born in the zoo Saturday, Feb. 27, and is the first camel born there in a quarter of a century.

The new arrival is about 3½ feet tall; she is the offspring of Henry and Kashmir who have been in Lincoln Park Zoo for some three years. She is a very light tan in color while her parents are quite dark. These are Arabian camels, known as dromedaries, and have only one large hump on the back.

The young camel is still without a name so Erwin Weiner, general superintendent of the Chicago Park District, is inviting all children of grammar school age to suggest an appropriate name for her.

To enter the contest children are advised to send their name for the baby camel, together with their own name and address and their age, to Dr. Lester E. Fisher, zoo director, Lincoln Park Zoo, Chicago, Illinois 60614.

The naming contest will close Thursday, April 15, and all entries must be in before 5 p.m. that day. The winner will be announced within a week thereafter and the

THE ANTIOCH NEWS 3
THURSDAY, MARCH 18, 1960

child whose name for the camel is chosen will be presented with a year's membership in the Lincoln Park Zoological Society. The winner will also have his or her picture taken with the baby camel when the award presentation is made.

HOBBY HILL FARM BUYS REGISTERED ANGUS COWS

Hobby Hill Farm, Antioch, recently purchased five registered Angus cows from Picket Fence Farm, Grayslake.

Announce Engagement

Miss Nanci Nakada's engagement to Elmer E. (Chip) Eberman, son of Mr. and Mrs. Elmer Eberman of Antioch, has been announced by Mr. and Mrs. Larry Taylor of Skokie.

Miss Nakada is attending Career Academy Medical Tech school and Mr. Eberman is a graduate of Kings Point Merchant Marine Academy at Great Neck, New York. A July wedding is being planned.

Nanci Nakada

"Send Me No Flowers" At PM&L Theatre

By Shirley Jensen
Antioch's own local theater group, Palette, Masque and Lyre, is giving four performances of "Send Me No Flowers," so there will be a good chance for the public to see this rib-tickling comedy. The curtain goes up at 8:30 p.m. at the P.M.&L. Theater on Friday and Saturday, March 19 and 20, and on the following weekend, March 26 and 27. Tickets may be purchased at the box office, or by calling Vivian Mapletorpe at 395-3613.

"Send Me No Flowers" is the amusing story of a hypochondriac husband, George Kimbel, who mistakenly believes that he hasn't long for this world. Bob Lindblad and Marion Sunderland play the delightful married couple, George and Judy Kimbel. Richard Irmen completes the half-hearted love triangle as Bert, the big boy from Texas. The eye-appealing "dream" girls are played by Mavourneen Reardon and Candy Meyer. Sam DeFalcon plays Vito, the dancing Don Juan, in another comical dream sequence. Warner Reiser plays George's harassed doctor, and the laughs go on while you watch Arnold, played by Lou DeFalcon, "drown" himself in sympathy for his neighbor, George. Last, but not least, Stan Davis portrays Mr. Atkins, the bubbling cemetery salesman.

Mormons to Present Informative Prog.

A program, "An Evening with the Mormons," will be presented to the public at 8 p.m. on March 20 by members of the Church of Jesus Christ of Latter Day Saints at Warren Township High School in Gurnee. Guest speaker for the evening will be Dr. Calvin P. Midgley of Lake Villa. A film brought from the New York World's Fair, "Man's Search for Happiness," will be shown. A choir from Chicago will perform.

A question and answer period will follow the program, and refreshments will be served. Participating in arrangements for the program, to which the public is invited, are two young Mormon Missionaries, Elder V. E. Larson, Preston, Idaho, and Elder H. C. Ross, of Green River, Utah. They have been in the Antioch area for about two weeks. For further information, call Ju 7-5593 or contact Elder Ross at 35 Woodland Ave., Fox Lake.

Spring Hats Make Bright Program

A gay Irish note was in evidence at the meeting of the Antioch Woman's Club last Monday, with table decoration all in the St. Patrick's Day theme.

The program supplied by Miss Heene, "The Magic of Millinery," was equally gay, with spring hats and novelties modeled and made.

Angela Maras modeled Miss Heene's showing of hats to wear around the clock. She gave tips on making hats to match knits; reviving last year's hat and trimmings with steam, corn starch and spray net.

The finale was an assortment of hats of her own design from a peek at the look for the coming season. Big brims, pompons, squashable towel hats, wig hats of petals and novelties were modeled by Mrs. Joe Sterbenz, Mrs. Elroy Anderson, Mrs. Dan Maras, Mrs. Tony Stanich, Mrs. Charles Watson, and Mrs. Donald Gaa.

Novelties were a cluster of hats, a gold paper hat trimmed with one dollar bills and a flowered hat with tiny electric lights.

It was announced at the meeting that the tag day held for Channel 11 was successful, and that the spring luncheon and fashion show for the Lake County Federation will be held on Wednesday, March 31, at Hank's, with the fashions being presented by Lanthan's of Waukegan. Mrs. Irving Elms is Antioch's fashion show participant. Reservations must be made with Mrs. Ted Larson by March 24.

Hostesses for the afternoon were Mrs. Gus Costoff, chairman, and the Mesdames Ted Costoff, Edward Abderholden, Harry Green, Arthur Larsen, Lester Osmond, Myrus Nelson and R. H. Lorenz.

M.Y.F. Plans Spring Supper

The young people of the Antioch Methodist Church M.Y.F. will present their first annual Spring Supper at Wesley Hall, Methodist church Saturday, March 20, at 5:30 p.m.

The roast beef dinner is being prepared by the M.Y.F. under the supervision of Mrs. Gerald Byrne.

A program of entertainment will be presented after the dinner with Jim Sorenson, Candy Bentel, Nancy Irish, Dave Chandler, Bruce Price, Barb Casella, Stan Revell, Glenna Burns and Paul Lindblad taking part. Other M.Y.F. members will be busy behind the scenes. Proceeds of the Spring Supper will go to support M.Y.F. activities in the coming year.

ALTAR AND ROSARY SOCIETY MEETS

The ladies of St. Peter's Altar and Rosary Society met last Monday evening in the school hall.

A report on the membership drive was given, and a request made that members turn in information on the drive that they may still have.

Mrs. Florence Eckert, Spiritual Development chairman, spoke briefly on the Lenten season.

An announcement was made that the parent-child conferences will be held April 11; volunteers will be needed for helpers on that date.

Masaji Okubo, Antioch's Foreign Exchange student, was the guest speaker. He explained the American Field Service, and compared Japanese and American customs. Birthday ladies honored were the Mesdames Hawks, Walpole, Wells, Reed, Lang, Klean, Jankowski, Ryckowski, Dost, Molgaard and Waite.

Refreshments were served by members of the Medical Missions Committee, the Mesdames McDonald, Walsh, Osmond, Vendl, Freund, Setek, and McGreal.

Mr. and Mrs. Arthur Wertz, Jr.

Ozga-Wertz Wedding At St. Peter's Church

Elaine M. Ozga and Arthur Wertz, Jr., were united in marriage in ceremonies at St. Peter's Church in Antioch on Saturday, February 27. The bride is the daughter of Mr. and Mrs. Theodore Ozga, Antioch. The groom is the son of Mr. and Mrs. Arthur Wertz, Sr., Antioch.

The bride was given away by her father in a double ring ceremony. She wore a floor length gown of bridal mist taffeta, the bodice fashioned with an oval neckline and long sleeves, and the semi-controlled skirt having a detachable train. A crown of pearls held the fingertip veil. The bride carried white roses and stephanotis.

Joan Ozga, cousin of the bride, was the maid of honor. Mrs. Barbara Bellinder, sister of the groom, and Carol Donkovich, the bride's cousin, were bridesmaids. The bride's attendants wore identical floor-length gowns with Empire waists and narrow skirts. They carried white carnations and red roses.

John Steitz served as best man. Ushers were Richard Carlson and William Ozga, brother of the bride.

Legion Auxiliary

By Del Jahneke
March 15-17 will mark the 46th Birthday of the American Legion, according to Mrs. John L. Horan, President of the Antioch American Legion Auxiliary Unit No. 748.

The American Legion Auxiliary throughout the nation will join with the Legion in commemorating this important milestone in the history of the American Legion.

The Auxiliary members and their husbands are invited guests at a dinner, to be held at the Antioch Legion Home, on Thursday, March 18, at 6:30 p.m.

The 37th annual Patriotic Conference of the state American Legion Auxiliary will be held on Thursday, April 1st, in the Gold Room of the Pick Congress Hotel in Chicago. The conference luncheon will be held in the Grand Hall of the hotel, with Mrs. Stanley A. Staidl of Appleton, Wis., National Vice President of the Central Division, as guest of honor.

Approximately 900 members from every part of the state will attend this meeting which features three of the American Legion Auxiliary program, so vital to the life of our nation today: Americanism, Civil Defense, and National Security.

Among the featured speakers at the Conference will be Mrs. Jane Fiquet Hanna, of Washington, D. C., Deputy Director of Civil Defense of the Department of the Army. Leading the representatives of Antioch American Legion Unit will be Mrs. John L. Horan, accompanied by Mrs. Clarence Larson, Americanism Chairman; and the Civil Defense Chairman, Mrs. Myra Randall, and National Security Chairman, Mrs. Alex Hoffman.

Mrs. Charles E. Boyd, of Beardstown, Ill., the Auxiliary's State President, will preside throughout the Conference.

A reception was held at the Lindenhurst Civic Center. After a honeymoon trip to New Orleans, the couple are at home on Grass Lake Road near Antioch. Both the bride and groom are graduates of Antioch High School.

Local Girl Wed In Waukegan

Miss Alice Bechtol, 2200 E. Waukegan Lane, Lindenhurst, became the bride of Charles Moran, Jr., of Bloomington on March 6 at a quiet wedding in Waukegan. Miss Bechtol is the daughter of Mr. and Mrs. Hubert Bechtol of Lindenhurst and Mr. Moran is the son of Mr. Charles Moran, Sr., also of Bloomington.

Miss Diane Pfisterer of Lindenhurst was bridesmaid and Jerry Miller of Waukegan, best man.

Over 100 friends and relatives attended an open house Sunday, March 14, at the Bechtol home. Guests were from Crystal Lake, Waukegan, Kenosha, Waukegan, Bloomington and Lindenhurst. Mrs. William Ulatowski, sister of the bride, came up from Peoria with her family. The newlyweds are making their home at Lake Zurich.

TOPS Celebrate First Anniversary

The TOPS (Take Off Pounds Sensibly) Cheerful Losers Club of Antioch will celebrate their first anniversary at a meeting on March 18 at the Antioch Savings & Loan community room. The meeting will start at 8 p.m.

A low-calorie luncheon will be served to celebrate the occasion.

The total weight-loss of members for the year was 465 pounds. TOPS has 30 members at present. The club started with about ten members. There's been quite a turnover in members in the year, a spokesman said, but about 20 members have "stuck through the year."

The club is open to anyone who is interested. For information, call JU 7-0476.

LAKESIDE REBEKAH LODGE NO. 82

By Del Jahneke
Mrs. Clarence Larson, Noble Grand, Mrs. Harold Ellis, Mrs. Eldon Gordon, Mrs. Charles Ferris, and Mrs. Lorna Buchert were guests of honor at Crystal Lake Rebekah Lodge meeting, recently. This year, the Rebekahs have a symbol of a "traveling emblem of the dove," which, in turn, is presented from one Rebekah Lodge to another.

These five women from the Antioch Lakeside Lodge also gave a short skit while presenting the emblem to the Crystal Lake Lodge. The next meeting of the Lakeside Rebekah Lodge No. 82 will be held on Wednesday, March 17, at the Antioch American Legion Home, at 8:00 p.m., with Mrs. Larson presiding.

Campus News

CARLINVILLE, Ill.—Peter Zeien, of Antioch, was recently awarded a varsity letter in Basketball at Blackburn College here, announced Coach Pete Smith, Blackburn College.

Zeien, the son of Mr. and Mrs. Paul Zeien of Route 3, Antioch, is a first semester senior, majoring in mathematics. He is one of 11 varsity cagers to receive his block "B". He has served the team as a training manager.

Blackburn College is a small independent liberal arts college located in this Central Illinois community. It is famed for its student work-study program where each student works 15 hours per week in partial payment of his education.

Douglas Feller, the son of Mr. and Mrs. Frank Feller of 817 Turner Drive, Antioch, is one of 91 students at Carthage College, Kenosha, who have been selected as pledges by the five social fraternities on campus. Feller has been pledged by Tau Sigma Chi fraternity.

MOOSE TOPICS

By Lillian Birdsall

The Corned Beef and Cabbage dinner that was held at the Antioch Moose Lodge last Saturday evening was a huge success. The credit for a job well done goes to Jan Malesski, Gladys Schroeder, Barbara Wetherbee, Rose Roth, Jerri Polson, Rosemarie Hadley, Millie Stroner, Evelyn Miller, Shirley Gehris, and Elsie Toman.

Legion No. 74 will have a get-together at the Antioch Moose Sunday, March 21, at 4:30 p.m. A pot luck will follow the meeting and members are asked to bring a dish to pass.

The Antioch Ritual Team is scheduled to perform at the Highland Park Moose, Saturday evening, March 20.

The Clown Club will have a breakfast at State Line Inn on Sunday, March 21, at 11 a.m.

The Midwinter Convention will be held at Rockford on March 19, 20 and 21 at the Hotel Faust.

The W.O.T.M. will have their business meeting this Thursday evening at the Antioch Moose Lodge at 8 p.m. All members are urged to attend.

Elsie Toman was co-hostess at the Publicity Committee meeting held at the home of Rose Roth where they worked on plans for the "Port O' Calls" party, to be held some time in May.

The Antioch Moose Lodge will be closed all day on Mondays until further notice.

The Antioch Moose Lodge will be having a fish fry Friday evening, March 19. Serving from 6 to 9 p.m.

WILL ATTEND WORLD FLOWER SHOW

Members and friends of the Antioch Garden Club, an affiliate of the Garden Club of Illinois, Inc., will attend the World Flower and Garden Show on Tuesday, March 23, at McCormick Place.

This year's theme of the show is a "Salute to the United Nations."

RAINBOW FOR GIRLS TO MEET MONDAY

The Antioch chapter of the Order of Rainbow for Girls will meet Monday evening, March 21, at 7 p.m.

The girls are asked to have completed their candy sales and report at this time. Mrs. Robert Jonas will be in charge of refreshments.

ENTERS EVANSTON HOSPITAL

N. E. Sibley, Bluff Lake, was taken to Evanston Hospital last Saturday, where he will remain for tests and treatment.

CUB SCOUTS TO HOLD RUMMAGE SALE

Cub Scouts of Pack 192 will hold a rummage sale at 891 Main St. (formerly Taylor's Shoe Store) on Friday, March 26, from 9 a.m. to 6 p.m. On Saturday, March 27, a bake sale will be held in conjunction with the rummage sale, and the hours will be from 9 a.m. to 4 p.m.

Where The Boys Are

Signalman Seaman Lawrence D. Yanco, USN, son of Mr. and Mrs. Charles Yanco of Route 3, Antioch, is serving aboard the destroyer USS New operating with the U. S. Sixth Fleet in the Mediterranean.

VISIT PARENTS IN ANTIOCH

Captain and Mrs. Errol Clark and children of El Paso, Texas, are visiting at the home of Mrs. Clark's parents, Mr. and Mrs. Elmer Hunter.

Captain Clark recently returned from service in Vietnam.

Births

FIRST GRANDCHILD

The Edmund Vos's, Antioch, welcomed their first grandchild last week.

A son, William Michael, was born to Michael and Louisa Andrae on Saturday morning, March 13. Mrs. Andrae is the former Louise Vos.

William Michael weighed 7 lbs. 6 oz. at birth in West Allis Hospital. The Andraes live in Wauwatosa, Wis.

CHRISTIAN SCIENCE CHURCHES

The temporal and illusory nature of all material objects will be explained in a Bible Lesson on "Matter" at Christian Science churches this Sunday.

The responsive reading from Jeremiah includes this verse: "Truly in vain is salvation hoped for from the hills, and from the multitude of mountains: truly in the Lord our God is the salvation of Israel."

Also to be presented are these lines from the Christian Science textbook: "The crude creations of mortal thought must finally give place to the glorious forms which we sometimes behold in the camera of divine Mind, when the mental picture is spiritual and eternal. Mortals must look beyond fading, finite forms if they would gain the true sense of things" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 264).

Bills Deal With Funds For Roads

Rep. John H. Conolly, R-Gurnee, submitted 3 bills to the Illinois House last week proposed by Lake County Highway Superintendent Melvin Amstutz.

One bill would provide that the county board may authorize the accumulation of county highway funds in a special fund, not to exceed 5% of the assessed valuation.

Another bill would provide the payment of motor fuel tax funds to a municipality as soon as possible after the allotment is made.

Another would provide for a municipality to accumulate a surplus from street and bridge funds for construction of streets, alleys or bridges.

Annual Flower and Garden Show Soon

The annual Chicago World Flower and Garden Show holds the advent of spring with a profusion of blooms in enticing settings from March 20 to 28 at McCormick Place.

Many of the visitors will want to record on film some of the numerous gardens that will be on display. These will provide ideas for plantings and garden photography all the year around. The visitor with a camera is urged to have plenty of color film and flash bulbs.

Cancer Society Seeks To Educate Public

As an important phase of its 1965 educational and fund raising campaign against cancer, the American Cancer Society is distributing a life-saving leaflet.

"We hope the leaflet, entitled 'Answers to Questions About Cancer Which Concern You,' will reach every home in Lake County," Mr. Earl Hagen, County Crusade Chairman said. "If read and acted upon, we could have half of those who develop cancer instead of one out of three as we are today."

The leaflet poses four questions and then answers them.

Are we getting anywhere against cancer?

Yes, gains in diagnosis and treatment have made it possible for over a million Americans to be alive today, cured of cancer. Physicians could cure about half of all cancer patients, if people came for examination in time. Noteworthy progress is being made in research support by the government and the American Cancer Society.

What signs of symptoms may mean cancer?

These are Cancer's Seven Danger Signals: 1. Unusual bleeding or discharge. 2. A lump or thickening in the breast or elsewhere. 3. A sore that does not heal. 4. Change in bowel or bladder habits. 5. Hoarseness or cough. 6. Indigestion or difficulty in swallowing. 7. Change in a wart or mole.

If a signal lasts longer than two weeks, consult a physician. Cancer starts and may spread without pain. A danger signal may seem unimportant, but do not delay. What protection is there against cancer?

The best protection is to have a complete physical examination each year and to act promptly on Cancer's Seven Danger Signals. Against lung cancer? Don't smoke cigarettes. Against uterine cancer? Women should have the "Pap" test annually. Against breast

cancer? Women should learn to examine their breasts once a month. If they find anything of concern, they should see their physician at once. Against cancer of the colon and rectum? Men and women should have a "procto" (rectum and colon) examination annually.

What progress is being made against leukemia?

As yet there is no cure, but scientists have made it possible to extend the lives of many leukemia patients for months and even years. There is great hope for the future. More research is being supported by the American Cancer Society on leukemia than on any other form of cancer.

The leaflet concludes with this appeal: "Tell your family and tell your neighbor the hopeful facts about cancer."

Many other leaflets and other Cancer educational materials are available and are distributed year-round by the 950 volunteers active in the County Educational Committee.

Many interesting films and film strips are available from the Lake County Unit of the American Cancer Society at 228 N. Genesee St., Waukegan, and may be obtained by any club, organization or group in Antioch by contacting Mrs. George Good, Education Chairman for Antioch.

According to the Institute for Safer Living of the American Mutual Liability Insurance Company, the head is the most vulnerable part of the body in most traffic accidents. Studies indicate that up to 70 per cent of all auto injuries occur to the head and neck. Seat belts offer the best preventive measure. They restrain head and body from being thrown against parts of the car, especially windshield and instrument panel.

The surgeon lays 7,000,000 eggs.

Report Results Of "Battered Kids" Survey

Parents of physically abused children rarely will admit that the youngsters have been beaten even when other persons are responsible, according to results of a research project announced today by the Welfare Council of Metropolitan Chicago.

In the survey, the Welfare Council's research department studied 52 cases of children who were taken to hospitals or clinics suffering from what medical personnel called "severe physical abuse."

The report pointed out that it frequently is impossible for a doctor in the course of a medical examination to determine who might be responsible for a child's injuries even though he feels certain that the youngster was hurt by an adult.

"In view of this, doctors should be encouraged to focus on the child's need for protection and to report suspected cases to the child welfare authorities designated by law, even when they cannot name a specific person as the abuser," the report stated.

In 10 of the cases studied, the person who took the child for treatment allegedly inflicted the injuries, but only three admitted doing so. Less than one-third of all the parents who took the children for treatment admitted that the injuries were not accidental.

When asked how children had been hurt, adults accompanying them most frequently made replies such as: "He fell" or "He hurt himself."

The children studied ranged from under one to 15½ years old. One-third were less than a year old and three-fourths had not yet reached their fourth birthdays.

Helpless young children are the most prone to attack from others, but abuse is not restricted to them, the report stated.

Most of the children presented a grim combination of injuries. The majority—34 of the 52—had welts, bruises, lacerations, and scars. Fractures, some new and some in various stages of healing, were reported for 26 children.

Some of the case histories described in the study follow:

Harvey, 17 months old, had multiple injuries, including a fractured spine. His father, who was convicted of beating the child a year earlier, was sent to prison for 3 to 10 years for whipping and beating his son.

An 18-month-old "fell" off a third story porch, suffering fractures and internal injuries. A sister had sustained brain damage from a "fall" a year earlier and a brother had died as the result of a "fall."

A two-year-old was brought in with multiple fractures, covered with cuts and bruises, including a serious eye injury. His parents said, "He's very nervous and falls constantly."

The abused child study was conducted by the Social Workers in the Health Field committee of the Welfare Council and the report was prepared by Miss Naomi Kroeger, Welfare Council

Millburn News

Regular Sunday morning services at the Millburn Congregational Church March 21, Church and Sunday School at 10 a.m.

Special Lenten services at Millburn Church Sunday evening, March 21, at 7:30, sponsored by the Senior Pilgrim Fellowship. Mr. and Mrs. Arnulf Kraft of Germany will be guest speakers. Mr. Kraft was born in Berlin where the family spent the war years. These meetings are for the public.

Mr. William Bonner of Gurnee, formerly of Millburn, passed away Saturday morning of an apparent heart attack. Funeral services for Mr. Bonner were held Tuesday, March 16, at 1:30 p.m. at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith officiating. Interment was in Millburn Cemetery.

The Devotional Study Group met at the home of Mrs. Garrett Trout Thursday morning. The next meeting will be held at the home of Mrs. LaMont Ray Thursday, March 25, at 9 a.m.

Dawn Deedon, daughter of Mr. and Mrs. Kenneth Deedon, returned from St. Theres Hospital last Friday.

Mrs. Frank Hauser is spending a few days at the home of her son and wife, Mr. and Mrs. Clarence Hauser of Paris Corners.

Mr. and Mrs. John Edwards and Ronnie and Lynn of Libertyville and Mr. and Mrs. Robert Smith of Libertyville spent Sunday afternoon at the home of Mrs. Frank Edwards.

Mrs. Elsa Lotz of Chicago is visiting at the home of Mrs. George Butler and Mrs. Herbert Messner.

The date set for the Spring Thrift Sale is Saturday, May 15. Limited space for storage at the church makes it impossible to begin collections of articles for the sale at this time. About May 1st will be the time for collections.

research associate.

It covered data reported by social service departments of 28 hospitals and health agencies on children seen between Dec. 1, 1963, and Nov. 30, 1964. The 52 came from 50 families, and there were previous cases of abuse to the child or to his brothers or sisters in 36 of the cases. In 48 of the 52 families, some other problem such as marital discord, or alcoholism was present. Eighteen of the children came from broken homes.

The findings focus attention on the need for legislation requiring mandatory reporting of suspected child abuse cases, according to the report.

A legislative proposal now before the General Assembly requires a physician to report a suspected case to the State Department of Family and Children's Service for investigation and action. The proposal does not require that the doctor identify the person responsible for the abuse.

Stratton May Attend GOP Dinner Party

The Antioch Township Republican Club officials have announced that former governor William G. Stratton may be present at the installation of officers at their annual Spring Dinner Party on Saturday evening, March 27, at Lorenz Smart Country House in Antioch. The dinner party has been designated for the benefit of the National March of Dimes.

Prompted by Stratton's vindication in the recent tax case, it was felt here that a popular figure was needed to rally the various segments of the Republican party under a single banner to restore the lost unity and vigor.

His attendance at the party is contingent upon his return from a much needed vacation. He told Harry Stern, publicity chairman of the GOP Club.

Officers to be installed include Herbert Horton, for a seventh consecutive term as president; Richard Striben, 1st vice president; Jim Olson, 2nd vice president; Elmer Eberman, treasurer; Harry Welland, secretary; Ole Mathisen, sergeant-at-arms; and Harry H. Stern, director of public relations.

Loren Saxauer, ticket chairman, announces that there are still some tickets available for the party which is scheduled to begin at 7 p.m. Smart's is located on Highway 173, just west of Antioch.

An illustrious Republican leader will address the gathering at the conclusion of the feasting and installing. His identity will be announced shortly.

MORE CAMPERS IN ILLINOIS

The fastest growing activity at Illinois state recreational areas is camping. William T. Lodge, director of the department of Conservation, has reported.

An 18 per cent gain in camping was recorded for 1964 with 454,879 campers registered, compared to 383,401 in 1963. The largest number of campers were from Illinois but there was 7.63 per cent more out-of-staters, 111,004—while the previous year's figure was 103,134.

During recent years there has been a change in camping styles. Trailers are replacing tents and 55,454 trailer campers registered in 1964, compared with 38,230 in 1963; a 43.59 per cent gain.

GUEST SPEAKER AT FOX LAKE CHURCH

The Rev. Floyd Dunn, Professor at Olivet Nazarene College, will be speaking Sunday, March 21st at 10:30 a.m. and Sunday evening at 7 p.m. at the Fox Lake Church of the Nazarene. Mr. Dunn is filling in for the Pastor, Glendon Stroud, while he is out of town due to illness in his family.

Professor Dunn is at home in the field of preaching, having served in the pastorate for a number of years. At the college he specializes in English, Bible course, and courses pertaining to Marriage and the Family.

TRAFFIC DEATHS DOWN

Traffic deaths in Illinois during February totaled 134, a decrease of seven per cent from the 144 deaths recorded in the same month last year, Francis S. Lorenz, public works director, has announced.

Based on reports compiled by the Illinois Division of Highways and the State Highway Police, fatalities for the first two months of 1965 now total 287. This is a decrease of 13 per cent from the same period during 1964.

Want Health Rules Set

A resolution asking the Illinois Department of Public Health to establish health and safety rules and regulations for operation of recreational and educational camps was approved Wednesday, March 10 by 100 day camp representatives attending an institute sponsored by the Welfare Council of Metropolitan Chicago.

The Institute on Day Camp Health Standards was attended by representatives of

public and voluntary agencies involved in day camp programs in Chicago and suburban Cook County and in Lake and DuPage Counties.

In the resolution, the group noted that high levels of supervision should be required to safeguard children in camping programs and that the Illinois Department of Public Health by statute has the authority to establish and publish rules and regulations necessary to establish minimum standards.

The resolution also called on county health departments to institute rules and

THE ANTIOCH NEWS, THURSDAY, MARCH 18, 1965

regulations to safeguard the health and safety of children attending camps within their jurisdiction.

Persons attending the session agreed that a modern, workable set of rules not only would help safeguard children, but would also provide a strong basis for planning and administration of camping programs.

The institute program also included discussion of health, sanitation, and administration objectives to be sought in day camp programs.

One in a series to help you enjoy better telephone service

How to reach
a doctor
in an
emergency
if your regular
one is away

Dial zero for Operator

Call your Operator, give her your name, address and telephone number, and describe the emergency. She'll ask you to hold the line or stay close to the phone while she takes action.

How we can help

Most Illinois Bell offices have a list of doctors who are available to take emergency cases. Using this list, the Operator, and her Supervisor, will try to reach a doctor close to you. If the doctor wants to speak directly with you, the Operator will connect you. In any event, she will tell you the minute she gets a doctor who can help.

Our other sources

If the Operator can't reach any of the doctors on our list, she will call the nearest service known to handle emergency cases. It may be the county medical society or the nearest hospital. At any rate, she will keep trying to get medical assistance to you as fast as possible.

Even after she does, your Operator—and her Supervisor—will continue to follow through. They will try to keep in touch with you until the crisis has passed.

We can't guarantee that we can get you a doctor in every case. But we can guarantee that we will try our hardest every time.

Reports Public Aid Rolls in December

In December there were reductions in the Old Age Assistance and Blind Assistance rolls, and an increase in the number of persons receiving Aid to Dependent Children, Disability Assistance, and General Assistance. Harold O. Swank, director of the Illinois Department of Public Aid, said an overall increase of 9,367 persons were on public aid in December 1964 over the previous month, due to seasonal factors.

Stress Value Of Museum To Schools

The value of the Lake County Museum of History to the schools in the county was stressed at a dinner meeting at Mundelein High School on Tuesday, March 9.

Dr. W. C. Petty was host of the meeting. Lake county's leading educators endorsed the Museum.

According to Dr. Petty, 95 per cent of the superintendents and administrators of Lake County public and independent schools were present.

F. Ward Just, publisher of the Waukegan News-Sun, said, "There is a vital need for this cultural center, and all Lake Countyans should support this effort to save the museum."

Kenneth Henke, chairman of the Lake County Board of supervisors, said that the board would "help to the best of our abilities."

Most of the educators reported that their schools had scheduled trips to the Museum in the past. Dr. Petty said, "The new Museum will be definitely used by our schools and will be a vital adjunct to our educational systems."

John L. Steltz, Antioch, president of the Museum Board of Trustees, also attended the meeting.

Antioch Herd Has High Production

A new, annual herd production average for milk and butterfat has been announced for the Registered Holstein herd owned by Robert Hunter, Antioch.

As reported by Holstein-Friesian Association of America, the herd has completed its latest testing year with an official per-cow average of 15,561 lbs. of milk and 607 lbs. of butterfat, based on 43 completed lactations.

The University of Illinois supervised the weighing and production testing procedures in cooperation with this herd improvement program of the Holstein organization.

Decries Selma Brutality

Congressman Robert McClory joined with other Republican and Democratic Members of the U. S. House of Representatives in deploring brutal treatment of persons in Alabama by law enforcement officers.

Calling attention to the denial of the right of Alabama citizens to register and vote, Congressman McClory declared: "What could be more consistent with our fundamental American rights of petition than the action of those who have organized and taken part in peaceable and nonviolent demonstra-

tions? Those who have gathered and marched have caused no harm and, on the contrary, they have explained their problem in a dramatic, effective and entirely peaceful way." He called on the public officials of Alabama to respond to the overwhelming demand of American citizens in Alabama and elsewhere to protect and defend the fundamental right of petition.

The Illinois Congressman further declared: "If it appears (as it does appear today) that the local and state officials are unable or unwilling—to preserve and protect the rights of all of their citizens and all who are lawfully within the state, then it is clearly incumbent upon the Federal government to resort to such means as may be necessary to defend and protect those persons in the exercise of their inalienable rights of citizen-

ship." Congressman McClory, along with other Members of the U. S. House and Senate, has introduced legislation to authorize Federal registrars where opportunities for registration are denied by local officials.

In slow-moving traffic, motorists should keep their cars well ventilated as the danger of carbon monoxide gas entering the car is increased. Coming from cars on all sides, this gas is deadly, odorless, and may be detected too late.

THE ANTIOCH NEWS
THURSDAY, MARCH 10, 1964

DEATH NOTICES

MRS. ANNIE C. BOWN

Mrs. Annie C. Bown, 88 years old, formerly of 467 Lake St., Antioch, passed away at 12:20 p.m. Sunday, March 14, at the Golden Days Rest Home in Zion where she had lived for the past 17 months, following a lingering illness.

Mrs. Bown was born Feb. 7, 1877, at Brighton, England. She resided in Bristol, England, before coming to Antioch in 1905 to live the remainder of her life. She married Burt Bown on April 25, 1897, at Bristol, England, and they had 67 years of married life together.

She held membership in St. Ignatius Episcopal Church in Antioch. She and her husband had farmed in the Antioch area for 40 years before his retirement in 1944.

She was preceded in death by her son, Victor Bown, on June 20, 1955.

Survivors are her husband, Burt; one daughter, Mrs. Clarence (Vera) Mair, Antioch; two sons, Herbert Bown, Waukegan, and Morris Bown, Antioch; eight grandchildren, and 12 great-grandchildren.

Funeral services were held at 1:30 p.m. Wednesday at St. Ignatius Episcopal Church in Antioch. Rev. Theodore Bessette of that church officiated at the services. Interment was in Hillside Cemetery at Antioch. Friends called at the Strang Funeral Home in Antioch after 3 p.m. Tuesday.

MR. NICK CHEFAS

Mr. Nick Chefas (or Kefalonitis), 80 years old of Cross Lake, Wis., passed away at 9:15 p.m. Friday, March 12, at St. Catherine's Hospital in Kenosha suddenly from a heart attack.

He was born Jan. 1, 1885, at Gargalianos, Greece, and came to America in 1907, then returned to Greece before coming back to Chicago in 1911. He resided in Chicago where he worked as manager of a restaurant until moving to Antioch 13 years ago. He had attended St. Andrew's Greek Orthodox Church.

He is survived by a brother, Regas Chefas at Cross Lake with whom he had made his home; a sister, Mrs. James (Veneta) Andrews, Chicago; three nieces, Mrs. Bea Henning, Antioch; Mrs. Bettie Burger, Des Moines, Iowa, and Mrs. Diona Castle, McHenry, Ill.; and a nephew, Spiros Chefas, Chicago.

Funeral services were held at 1 p.m. Tuesday at St. Andrew's Greek Orthodox Church at Hollywood and Sheridan Road in Chicago. A visitation was held from 2 p.m. Monday until noon on Tuesday at the E. J. Sullivan Funeral Home at 6311 N. Clark St., in Chicago. Interment was in Elmwood Cemetery at River Grove, Ill. Local arrangements were handled by the Strang Funeral Home in Antioch.

WILLIAM M. BONNER

William M. Bonner, 84 years old of 4037 Grandview, Burnee, passed away suddenly from an apparent heart attack on Saturday, March 13, 1965, at his home. He was born October 30, 1880, on a farm at Millburn which his grandfather had taken up from the government. He had operated a farm at Millburn until his retirement 17 years ago, and then moved to Guerne.

He married Ethel M. McGuire on Nov. 16, 1911, at Millburn and they celebrated their 50th wedding anniversary in 1961. He attended the Millburn Congregational Church and held membership in the Lake County Farm Bureau.

Survivors are his wife, Ethel M. Bonner, Guerne; two sons, Dr. J. Harold Bonner, Walworth, Wis. and Roy Bonner, Millburn; two brothers, J. Gordon Bonner, Millburn, and Robert J. Bonner, Kansasville, Wis.; and six grandchildren. He was preceded in death by a brother, Clarence E. Bonner, in 1938.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church officiated at the services. Interment was in Millburn cemetery.

"Maybe Next Year" But Who'll Wear 54?

By Howard Shepard
Well, it's all over for another year.

I sat in their office the other day as varsity coach Roger Andrews and Soph coach Bruce Stahmer carefully folded the bright freshly cleaned uniforms and packed them away for storage. I listened as the two coaches reflected on the past basketball season.

"We didn't win a regional as we hoped," Rog reminisced, "but these boys did all right for themselves." "They won 21 games, few teams at this school can say that," A Conference Championships not to mention the district championship.

"We moved into big time basketball with the competition in the Rockford Classic last Christmas and to top it all off the school was given the conference sportsmanship award."

Bruce picked up jersey number 54 and rubbed out a crease before placing it away. "Remember him in the Grayslake game?" "They had to jog my memory a little but that was the night Vic Rogers scored 33 points and grabbed 26 rebounds to lead the Sequoits to 78 to 74 squeaker over the Rams."

Vic finished the season prematurely as he missed the last 8 games due to a thigh injury. In spite of this Vic still led the team in scoring 324 points and was the clubs second rebounder with 223. The thought, "It's going to be a tough jersey to fill next year" . . . was reflected in the faces of both coaches as they placed it neatly away.

Rog smiled as he picked up number 52. "Here's one we'll be real glad to see next year." They were talking about Tyrone Walls and apparently the rest of the conference agrees because Tyrone was voted to the all conference squad along with Vic Rogers.

"He didn't do bad at that. As a sophomore, Tyrone collected 294 points to rank third on the squad, pulled in 194 rebounds and collected 100 assists. Yes, this is one boy they'll be real glad to see next year."

"Here's a couple you'll miss," Bruce said, as he packed away 30 and 34. "Yeh, Bobby really came through for us in the tournaments, didn't he?" He was talking about Bob Schmitz. Bob won't be back next year to wear number 30, but he left his mark this season, scoring 258 points and getting 97 assists.

Bernie Smith, number 34, won't be back either and the sidewalk coaches will spend a lot of time in the next few years wondering just how much better he would have been if he hadn't been hampered by a sore foot all season.

Even so, all conference honorable mention, 30.5 points, leading rebounder with 241, these are statistics any coach would like to own.

Coach Andrews was interrupted as he had to look up a locker number for one of his P.E. students.

"What about Mike Storb and Tom Blackman?" I asked, "I imagine you'll be glad to see them back again next year." "We sure will," Bruce said, "They did a real fine job for Rog this year, their first season of varsity ball."

Storb dumped in 252 points to rank 5th on the team, added 107 rebounds and 77 assists. Mike also won the Roger Lang Memorial Free Throw award. Mike cashed 46 of 64 attempts for the charity line for a 71.8% average. He joins Bob Kubiak who won it in 1982 and 1983 with .81 and .84 averages and John Lear who won it in 1984 with 70.8%.

"Tom Blackman, voted the most improved player of the year by his teammates, was a minor surprise to us," Andrews said. "We knew he would develop into a good ball player but he came around a year faster than we thought." Tom added 216 points and 112 rebounds to the teams total for the year.

Numbers 20 and 50 went into the storage bag. Mike Kelly wore number 20 this past season and one thing you could say about him, when he got into a ball game it was almost a sure thing that he would take a shot within the first minute and score within the second. "If Mike can come around on defense a little more he'll be a big help to us next year," Rog said.

"I just hope that wherever Wally goes he keeps his drive and spirit," Bruce added. Wally Henning (50) a senior, played quite a bit towards the end of the season and could always be counted on to give you 100%. "Yes he gave us quite a lift in many ball games this year," Rog said.

Rog picked up a stack of jerseys and gazed at them thoughtfully for a moment. "What can you say about boys like these," Terry Schneider, Bruce Dalgard, Jesse Inman, Jim Effinger, Jim Edwards, Bob Schenk, Pat Sheehan.

"They didn't get to play hardly at all all season but they never missed a practice and worked as hard or harder than the starters."

"I know one thing, without them we wouldn't have gone as far as we did."

Rog pulled the draw string on the storage pack, gave it a final tug and thus officially ended the 1985 basketball season. "These boys were a real fine group," he said. "I have been very proud of them all season and thankful for them and all the people connected with the program," he added.

There was a sad note to the small gathering as they placed the pack in the storage room, but with the sadness, an aura of excitement. As the two coaches walked down the hall toward their next classes I heard Rog Andrews comment "I don't think we'll use a one-three-one next year Bruce, we'll have too much speed and I don't think we'll have the big . . ."

I couldn't hear the rest . . . Yes . . . there's always next year.

Soph Squad Fifth In Conference

Coach Bruce Stahmer's sophomore squad finished their current season with a record of 8 wins and 10 losses. They were 5th in the conference.

Final statistics showed Don Zeman leading the squad in scoring with 197 points on 61 field goals and 75 free throws. "Don grew about two inches this season," Bruce said, "and we look for some real help from this boy next year."

Lenny Clark and Jim Litchfield followed in the scoring column with 182 and 181 points respectively. Clark was also the teams second leading rebounder with 140. Fred Gras led the squad in rebounds with 149. Gras also added 125 points to rank 4th on the team.

As a team they scored 817 points to 898 for their opponents. They out-rebounded their foes 487 to 422. Shooting percentage was a problem all year as the Sequoits prep cashed only 32 per cent from the field and 53 percent at the free throw line.

Not included in the statistics is one loss in the Mundelet tournament to Maine South.

Every job well done is a standing advertisement for the company that did it.

Bi-State Bowling League Thursday, March 11

The league was on a hot scoring lick, reeling off 4 honor series, led by Rodger Kruse, 629, Gary Hansen 618, Dennis Swanson 614, and Jim Graham 606, and a nifty team session by Colonial Funeral Home 2040 and a 3 game winner over Channel Lake Shell (Bill Hinkle 576).

In the Antioch Bowl Tigers and Haydon-Homes struggle, the winning Tigers scored 2828 and won all 3 games, but it was a tough and go throughout the match. Tigers were paced by Dick Goding 598, Wayne Swanson 583, Earl Lowe 579, and Jack Lawrence 572. Dennis Swanson, a brother of Wayne, led Haydon's with 614.

Pasadena Lounge blasted the lid wide open by sweeping the series from Antioch Lumber. The Pasadena five was headed by Gary Hansen, 618, Jerry Ehrhart 576, Roger Von Slosser 564, and Dennis Volting 552. Ed Slavik led the Antioch Lumber with 567.

Tom Thomey 588, and Nick Badame 587 led Wessel's Lounge in its two game triumph over Gibbs & Jensen (Bob Morton 585).

Beauti-Vue Products took the odd game from Dalgard's Certified, Lawrence Paulson (576) and Jon Hokkanen 557, led Beauti-Vue, and Roy Hartman rolled 562 for Dalgard's.

THE ST. PETERS SCHOOL "A" BASKETBALL TEAM were champs in their league this year. Front row, left to right, Coach Bob Gross, Dan Gao, Ray Gudgeon, Don Hart, Tim Wells, Ray Frank, Jim Cermak, Coach Bill Kaulman. Back row, Father Henderson, Allan Kreissant, Allan Elliott, Terry Wells, Frank Koch, Bill Gonzer, Larry Ryan, Greg Hartnett, George Broecker, Coach Lars Steffenburg, Father Hanley.

Coulson Defends GOP Holdup On Tax Bill

Senator Robert Coulson, Republican member of the State Senate from Waukegan, defended the action of the Republican House members in holding back action on some of the Democratic-sponsored bills in an address to the 71st Annual Convention of the John Brisson Republican League of Illinois at Galesburg.

"I think it is proper now to explain just where we stand on State reappointment and related questions," Coulson said. "The State Senate has passed nearly two hundred bills requested and endorsed by the Governor, administration measures which we Republican members thought were good for the State. This is five times more work than any Senate has done this early. We are ahead of schedule, and yet we still have no financial message from the Governor, no budget, no estimate of income or outgo, as the constitution requires to be submitted in January."

"We refused to adopt three bills," explained Senator Coulson, "three of two hundred. We intend to vote for them later."

Outlining the reasons in detail, Coulson stated, "We were 'prorogued' or sent home by the Governor's ordering us to adjourn. We had not finished adopting Administration bills, but we had not finished our work."

We resented being discarded in this fashion, and resolved that in future sessions we would hold a few bills to the end, so that we could control our own adjournment."

"If we stay in session and at work," continued Coulson, "we will have the opportunity to study the Governor's vetoes, and in many cases amend the proposals so that they can be signed and become law."

The Governor has adopted the practice of not signing or vetoing bills passed by legislature many weeks and months after adjournment. "By holding a few of his bills to the very end," Coulson said, "we hope to avoid the massive log-jams of the past, when members must vote on a thousand bills in all-night sessions."

He added that "everyone agrees that reappointment and redistricting are the first priority matters, so we want to keep them in the first priority position. Many of us on the Republican side are convinced that the other party plans to get its tax raise plans through and get all its programs adopted on a 'bi-partisan' basis, and then destroy any chance of redistricting by partisanship or by October vetoes in the hope that both houses of the Legislature will run at large."

"The only way to make absolutely sure this cannot happen," Coulson said, "is for the Senate to refuse to pass the three bills until redistricting is passed, sent to the Governor, and signed by him, while the legislature is still in session."

"The three bills we are holding," Coulson explained, "will extend the present sales tax for another two years. If they are not passed, the tax would go down to 2 1/2 per cent after July 1. So there is no emergency. The bills can be passed on June

Want College On Bong Site

The Bong Base Steering Committee, pushing for location of a four-year college on the abandoned site of the air base in Kankakee County, heard reports of the progress of their plans at a meeting in Burlington on March 6.

Leo Warren reported at the meeting that he had been informed that all the land at Bong had been disposed of, but that deeds had not been conveyed.

Disposition of the land, at the present time, is as follows: 100 acres given to the Wisconsin Conservation Department, with no charge;

29th, and no change will be notified by the government or taxpayers."

1600 acres to be purchased by the Conservation Department; 900 acres sold to a private investor, Norman C. Harro & Associates, of Madison, and the balance of 6400 acres for schools and parks.

The suggestion was made that the Steering Committee contact the Conservation Department in an effort to obtain part of the land allotted to them for a four-year college.

The Steering Committee voted to change the name of the group to the Tri-County Educational Organization. The operation will be known as ABDE, meaning active Bong for Long-range Education.

When city folk visit a farm they take the most pleasure in watching the pigs. We have noticed this, but do not know the reason, although we have our suspicions.

Students Take Nat. Test For Scholarships

Sixty-two students at Antioch Community High School took the 1965 National Merit Scholarship Qualifying Test, Superintendent Albert Dittman has announced.

The test was administered at the school at 1 p.m. Tuesday, March 9. All students who wish to be considered for Merit Scholarships to be awarded in 1966 took the test.

The NMSQT is a three-hour examination of educational development. The number of scholarships awarded in any year depends on the extent of sponsor participation. In 1964, 1962 Merit Scholarships were awarded.

The test scores of students who are examined in March will be reported to their schools before May 15. The scores are used by counselors in many high schools to help students make decisions about college attendance and field of study.

More than 14,000 semifinalists, the highest scorers in each state, will be named early next fall. Names of semifinalists are distributed to all colleges and to other sources of financial aid for undergraduates.

Each semifinalist will be asked to take a second examination. Those who repeat their high performance and meet certain other requirements will become finalists in the competition. Winners of Merit Scholarships will be selected from the finalist group on the basis of school records, recommendations,

test scores, leadership, etc. The scholarship stipends are based on financial need. The minimum award is \$100 and the maximum is \$1500.

Must Be Registered

Voters in township elections must be registered. Attorney General William G. Clark has held. Therefore, Clark's opinion advised State's Attorney Harrison J. McCown of Douglas County, the county clerk of that county and all other county clerks in Illinois counties of less than 500,000 population should comply with Sections 4-20 and 4-26 of the Illinois Election Code. These sections provide that county clerks must deliver to town clerks in each township prior to the election duplicate cards showing registered voters.
